37 **TO THE COURT:**

38 Recently, and at the joint request of the parties, the

1 Court continued the trial and Scheduling Order deadlines by 60
2 days to accommodate a November 5, 2010 Settlement Conference
3 that was scheduled before Magistrate Judge Laporte. However,
4 recently, and due to the unexpected availability of the
5 Magistrate Judge, the parties were advised that the Conference
6 need to be continued to January 7, and, even more recently,
7 they advised again that the conference needs to be continued to
8 an as of yet undetermined date. Therefore, the parties request
9 another approximate 90-day continuance of trial and scheduling
10 order dates to accommodate the rescheduling of the Settlement
11 Conference, and to provide the parties space to balance ongoing
12 discovery efforts with the effort to reach stipulations of fact
13 and reduction of issues for trial. The parties will utilize
14 their best efforts to resolve the matter at the Settlement
15 Conference. At the very least, the conference should
16 significantly reduce the claims and issues required for trial.
17 Therefore, the parties seek the following new deadlines:

18	Non-Expert Discovery Close:	March 15, 2011
19	Expert Disclosure Due:	March 22, 2011
20	Last Day for Rebuttal Expert	
21	Disclosures:	March 29, 2011
22	Expert Discovery Deadline:	April 5, 2011
23	Last Day to Hear Dispositive	4
24	Motions:	May 16, 2011
25	Final Pretrial Conference:	July 22, 2011 at 4PM
26	Last Day to Meet and Confer	
27	Jury Trial:	August 3, 2011 at 9AM
