Case C05-3190 TEH

Dear Judge Henderson:

I am attaching a letter from my former Attorney Steve Krafchick who worked on the federal case, which as he understood from your order, was closed when it was sent to arbitration.

The opposing Attorney Pam Cogan then filed something in federal court, a 'Motion to Confirm' the arbitration decision, which I am going to oppose. Mr. Krafchick received no attorney's fees from the arbitration.

I mailed you a previous letter after discussing with your clerk, Ravena, that it was acceptable for me to just mail the letter to you via US Postal Service.

I had and am still requesting that the original date of October 20, 2008 be reset to a later date. I remain still totally disabled and ill. Since I am now pro-se I need additional time to prepare or find another attorney. I also understand that under California Arbitration Rules that I have up to 6 months to file the motion to vacate the arbitration award and since you closed the federal case I believe I could file in the State of California.

Sincerely,

Anita B. Carr

Dear Judge Henderson:

I am informing you that I am now pro se with regards to this case. This situation may change as I am searching for a new attorney.

Steve Krafchick is no longer representing me.

I also want to inform you that I will be opposing the motion to confirm the arbitration award.

I am respectfully requesting that the October 20, 2008 hearing date be re-negotiated to a later date.

I have attached a copy of a letter to Pam Cogan stating the same.

Sincerely,

Anita B. Carr
