NOTICE OF PENDENCY OF OTHER ACTION OR PROCEEDING PURSUANT TO LOCAL RULE 3-13

Complaint Filed: July 29, 2005

21 Pursuant to Civil Local Rule 3-13, defendants Martindale-Hubbell and Lexis/Nexis,
22 divisions of Reed Elsevier, Inc. (collectively "Reed"), hereby provide the following notice:

23 1. There is another action pending in the United States District Court for the District of
24 New Jersey involving the same parties and the same facts as the present action, arising from a state
25 court complaint filed by Reed in the New Jersey state court prior to the underlying state court
26 complaint filed in present action.

27 2. On July 18, 2005, Reed filed a state court action against Inherent.com Inc. aka
28 Inherent, Inc. (collectively, "Inherent") in the state Superior Court of New Jersey, Union County,
entitled Reed Elsevier, Inc. v. Inherent.com, Inc. a/k/a Inherent, Inc. (Docket No. UNN-L-2583 05)
(the "New Jersey Action"). The New Jersey Action seeks declaratory relief against Inherent and

DOCKET COPY AUG 30 2005

1 among other things, alleges that Reed's division, Martindale-Hubbell ("MH") which has its
2 principal office in New Jersey, entered into discussions with Inherent about a possible business
3 relationship in 2004-2005. The New Jersey Action alleges that, on or about June 15, 2005, Reed
4 and Inherent, executed a written non-binding indication of interest letter dated June 8, 2005 to
5 explore a possible acquisition by Reed or its affiliate of certain assets of Inherent ("Non-binding
6 Letter of Interest"). The Non-binding Letter of Interest provided that Reed would be entitled to
7 perform its due diligence of Inherent following execution of the Non-binding Letter of Interest, and
8 that the Non-binding Letter of Interest "creat[ed] no legally binding obligation on the part of the
9 parties to conclude the proposed transaction,...notwithstanding any subsequent actions or
10 communications, written or oral, between the parties....". After engaging in due diligence
11 following the execution of the Non-binding Letter of Interest, Reed decided not to proceed with
12 any acquisition, and notified Inherent that it would not move forward with any possible transaction
13 on June 28, 2005, less than two weeks after the Non-binding Letter of Interest was signed.
14 Thereafter, on July 18, 2005, Reed filed the New Jersey Action in the Superior Court of New
15 Jersey for Union County against Inherent for declaratory relief.

16 3. On or about August 15, 2005, Inherent, filed a Notice of Removal of Action Under
17 28 U.S.C. Section 1441(b) and removed the New Jersey Action to the United States District Court
18 for the District of New Jersey, Docket No. 258305. The New Jersey Action remains pending in
19 United States District Court for the District of New Jersey.

20 4. On July 29, 2005, after Reed had filed its New Jersey Action, Inherent filed a
21 complaint in the Superior Court in the County of San Francisco against Reed's divisions, MH, and
22 Lexis/Nexis, entitled Inherent.com aka Inherent v. Martindale-Hubbell, Lexis/Nexis, Inc., Case No.
23 CGC 05443573, for declaratory relief, breach of contract and fraud, alleging that MH and
24 Lexis/Nexis, breached an alleged agreement to purchase Inherent, among other things (the "Later-
25 filed California State Court Action"). Inherent's Later-filed California State Court Action arises
26 from the same facts, involves the same parties, and seeks some of the same type of relief as the
27 alleged in New Jersey Action. On August 30, 2005, and filed concurrently herewith, Reed filed a
28 Notice of Removal of Action Pursuant to 28 U.S.C. § 1441(b) to remove the Later-filed California

1 State Court Action to the United States District Court for the Northern District of California, San
2 Francisco Division.

3 5. Reed intends to file to motion to change venue of the present action pursuant to 28
4 U.S.C. § 1404(a) because, among other things, the New Jersey Action was filed prior to the Later-
5 filed California State Court, and it would be in the interests of justice, judicial efficiency, and the
6 convenience of witnesses, to transfer the present action to the United States District Court for the
7 District of New Jersey, and/or a motion to dismiss pursuant to the Federal Rule of Civil Procedure
8 for failure to properly plead a claim upon which relief can be granted.
