Inventors: M. Kozal, T. Merigan, D. Katzenstein, M. Holodniy

Dear Ms. Folger:

In reviewing our files, we note that in disclosing the above invention to your office on June 24, 1992, and in submitting copies of the patent application and a confirmatory license November 30, 1994, we have not explicitly stated Stanford's intention to retain title. Therefore, for the sake of clarity, and in accordance with the regulations at 37 CFR Ch. IV, Part 401 implementing PL 96-517 and PL 98-620, please note that the University has elected to retain title.

If you need more information regarding this invention, please contact Luis Mejia at the above address.

Sincerely,

Eric Danly
