CASE NO. C-05-04158 JCS

JOINT MOTION FOR  
 ADMINISTRATIVE RELIEF  
 REGARDING EXTENSION OF  
 PAGE LIMITS FOR SUMMARY  
 JUDGMENT

[[Proposed] Order And Stipulation Re:  
 Extension Of Page Limits For Motions  
 For Summary Judgment]

quinn emanuel

1 Pursuant to Civil Local Rule 7-11, Defendants Roche Molecular Systems, Inc., Roche  
2 Diagnostics Corporation, and Roche Diagnostics Operations, Inc., Plaintiffs The Board of Trustees  
3 of the Leland Stanford Junior University, and Counterclaim Defendants Drs. Thomas Merigan and  
4 Mark Holodniy hereby request that the Court relieve the parties from the page limitations imposed  
5 by Local Rule 7-2.

6 Pursuant to the Court's September 21, 2006 order, the parties must file their respective  
7 motions for summary judgment and supporting memoranda by October 27, 2006. Local Rule 7-2  
8 limits such motions to one document of 25 pages. The parties agree that, given the number of  
9 issues the parties seek to resolve on summary judgment, a modest extension of the page limits set  
10 forth in Local Rule 7-2 is appropriate. The parties therefore request that this Court grant the  
11 parties' attached joint stipulation and proposed order, allowing the parties motions and  
12 memoranda for summary judgment to be up to 30 pages in length.

13 Dated: October 23, 2006
