SECTION 2. PURCHASE, SALE, LICENSE AND ASSUMPTION.

2.1. Agreement to Sell and to Purchase. On the terms and subject to the conditions set forth herein, Seller shall, except as provided in Section 2.2, sell, assign, transfer, convey and deliver to Purchaser, and Purchaser shall, except as provided in Section 2.2, buy and acquire from Seller all right, title and interest of Seller in and to the following assets, properties and Rights, subject only to the transfers, assignments and licenses in respect of such assets, properties and Rights contemplated by the Basel Agreement:

(a) All Personal Property, wherever located, that existed on the date of this Agreement, and all additions thereto made by Seller prior to the Closing Date, except to the extent such Personal Property has been sold or otherwise disposed of by Seller prior to the Closing Date in the Ordinary Course of Business, including, without limitation, all of the Personal Property described on Schedule 2.1(a);

(b) All Inventory, wherever located, that existed on the date of this Agreement, and all additions thereto made by Seller prior to the Closing Date, except to the extent such Inventory has been sold, consumed or otherwise disposed of by Seller prior to the Closing Date in the Ordinary Course of Business, including, without limitation, all of the Inventory described on Schedule 2.1(b);

(c) All of the PCR Intellectual Property listed on Schedule 2.1(c) (the "Transferred Intellectual Property"), together, except as listed on such Schedule, with all claims for profits and Damages against third parties by reason of the past Infringement of any of the Transferred Intellectual Property together with the right to sue for, and collect the same, or to sue for injunctive relief, for Purchaser's own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives; provided, however, that if any third party brings a Claim for Infringement of any of such third party's Intellectual Property against Seller and/or Purchaser in response to which Seller or Purchaser asserts as a defense or counterclaim the Infringement by such third party of any Transferred Intellectual Property on or prior to the Closing Date, then all amounts which Purchaser or, with respect to those Infringement Claims transferred to Purchaser hereunder, Seller may recover from such third party as a result of such pre-Closing Infringement shall be offset

against any and all Damages, if any, which Seller is, as a result of Seller's Infringement of such third party's Intellectual Property prior to the Closing Date, required to pay to Purchaser under Section 11 or required to pay to Basel under Section 11 of the Basel Agreement.

(d) All of Seller's Rights (including deposits related thereto) under the Contracts listed on Schedule 2.1(d) (the "Transferred Contracts");

(e) All of the Computer Programs listed on Schedule 2.1(e) (the "Transferred Computer Programs");

(f) All accounts receivable of Seller relating to the PCR Business that exist on the Closing Date (the "Receivables");

(g) All Rights of Seller under any and all confidentiality agreements or confidentiality provisions of other agreements with Seller's present or past employees, agents, consultants, contractors, suppliers, customers, partners, joint venturers or other Persons to the extent such Rights relate to the PCR Business and/or the Transferred Intellectual Property (the "Confidentiality Rights"), all to the extent that they are transferable to Purchaser;

(h) All nonprivileged books, documents and records of Seller to the extent they pertain to the PCR Technology or the PCR Business or any of the Acquired Assets, wherever located and whether maintained in electronic or physical form, including, without limitation, all accounting, credit and environmental records and customer lists; provided, however, Seller may retain copies of such materials to the extent necessary for Seller to fulfill its obligations under this Agreement or under laws, regulations or other understandings or agreements by which it is bound or for the conduct of its other businesses; and provided further, however, that Seller shall not be required to transfer to Purchaser any of the assets specified in this subsection (h) to the extent that such transfer is precluded pursuant to the provisions of a confidentiality agreement between Seller and a Person that is not an Affiliate of Seller or is otherwise prohibited by law unless and until the restrictions against such transfer have expired or otherwise terminated; and

(i) All assets and Rights which are distributed to Seller upon the liquidation of PECI pursuant to Section 6.14 including, without limitation, all of Seller's right, title and interest in and to the last \$245,000 distributed to Seller by PECI prior to the Closing, but not including any other cash or cash equivalent (other than PECI's accounts receivable) distributed to Seller by PECI prior to the Closing.

2.2. Shared Assets. The licensing of Shared Assets that constitute PCR Intellectual Property or Computer Programs, and the licensing back to Seller of certain rights in the Transferred Intellectual Property, shall be governed by the provisions of Section 2.8. (c) All losses, loss carry-forwards and Rights to receive refunds, credits and loss carry-forwards with respect to any and all taxes of Seller, whether incurred or accrued prior to or after the Closing Date, including without limitation interest payable with respect thereto; provided that Seller shall not have any Rights with respect to any losses, loss carry-forwards and Rights to receive refunds, credits and loss carry-forwards with respect to any and all

taxes of Purchaser for any period after the Closing Date;

(d) All real property owned or leased by Seller and all plants, buildings and improvements thereon;

(b) all of the Liabilities of PECI to third parties which Seller assumes or to which it is subject following the liquidation of PECI pursuant to Section 6.14 other than (i) the Liabilities of PECI to Seller or Perkin-Elmer except for the payables which PECI may owe Seller or Perkin-Elmer for goods or services PECI purchases from either of them in the ordinary course of PECI's business consistent with its past practice and (ii) the Liabilities of Seller and Perkin-Elmer to each other which arise out of or in connection with PECI or its liquidation.
