RE: EDIN CHACON v D. GALLIAN, ET AL.
U.S.D.C. Northern District Case No. C05-4880 SI (PR)

Dear Judge Illston:

I retrieved your Pre-Trial Order today which was posted on November 21, 2008. In this order, defendant Lisa Graham's motion for summary judgment was denied. When I called Ms. Graham to inform her that she will need to appear for trial on December 16, 2008, she was very upset.

Ms. Graham's eighteen year old son, Micah Olson, is currently in training with the Air Force at Fort Leonardwood in Missouri. Mr. Olson is scheduled to return home for a visit around December 13, 2008 for week to ten days. Thereafter, he will be assigned to North Dakota for staging. Ms. Graham had scheduled to take off work the entire period of time that her son was home. Ms. Graham does not want to take any time away from this visit.

For these reasons, we request permission for Lisa Graham to appear by telephone. Should the court deny this request, we seek the court's permission to allow Ms. Lisa Graham to give her testimony within the constraints of her airplane schedule which would permit her to fly in on December 16, 2008 and leave on the same day.

We would prefer Ms. Lisa Graham to appear in person to testify. It would be a more effective presentation. Ms. Graham has indicated her preference to appear by telephone and will accept the consequence of that decision. Ms. Graham has been fully informed of the negative effects of a telephone appearance, in lieu, of a person appearance. Consequently, we support her request to appear by telephone.

The Honorable Susan Illston
