1 I, Kevin S. Bankston, hereby declare:

2 1. I am an attorney of record for plaintiffs in this action and a member of good standing
3 of the California State Bar, and am admitted to practice before this Court. I have personal knowledge
4 of the matters stated in this declaration. If called upon to do so, I am competent to testify to all
5 matters set forth herein.

6 2. On the afternoon of Friday, January 20, 2006, Shari Steele, the Executive Director of
7 the Electronic Frontier Foundation (EFF), came to my office and informed me that a gentleman had
8 walked into EFF's lobby unsolicited, saying that he had information linking AT&T to the National
9 Security Agency's ("NSA") domestic surveillance program that he wanted to disclose to EFF,
10 including several documents which he carried with him in a manila envelope.

11 3. I escorted the gentleman, who identified himself as Mark Klein, to my office for a
12 private interview.

13 4. In my office, Mr. Klein informed me that he was a former AT&T employee with
14 evidence of AT&T's collaboration with the NSA in its domestic spying program.

15 5. Mr. Klein handed to me excerpts of AT&T documents that he said described the
16 technology behind AT&T's participation in the program, whereby the NSA had been given complete
17 access to the Internet traffic transiting through at least one, and probably more, AT&T Internet
18 facilities. At this point, I asked Senior Staff Attorney Lee Tien to come to my office and join the
19 discussion with Mr. Klein.

20 6. In our conversation with Mr. Klein, Mr. Tien and I found him to be credible, and the
21 document excerpts that he provided to us appeared to contain authentic and valuable information
22 relevant to a potential case we were investigating.

23 7. After EFF filed the current class action against AT&T for its illegal participation in
24 the NSA program on January 31, 2006, Mr. Klein, represented by counsel, agreed to serve as a
25 declarant for plaintiffs' preliminary injunction motion regarding the AT&T Internet surveillance of
26 which he had evidence, and provided complete copies of the AT&T documents to EFF on February
27 28, 2006.
