**DECLARATION OF PATRICIA PERRY**

I, Patricia Perry, have personal knowledge of the facts set forth below, and if called as a witness, I could and would testify under oath to the following:

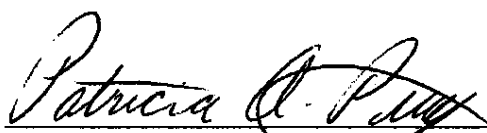

1. I am a Senior Group Manager in Merchandising for Target Corporation. I have held this position since February 2007. Before becoming Senior Group Manager in Merchandising, I served as Group Manager for Business Operations for Target.com.

2. As Senior Group Manager in Merchandising, I am responsible for representing Target Corporation in process and systems development.

3. Of the items available for sale from Target's retail stores, a very large percentage is not offered at Target.com. For example, Target.com does not sell the low-dollar staple items carried at Target's retail stores, such as paper towels, toilet paper, or other items that do not fit the Target.com business strategy.

4. With the exception of the few clothing items sometimes included in weekly advertisements, it is not currently possible for guests to determine whether particular items of clothing featured on Target.com are currently available in Target stores.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct. Executed on July 13, 2007, at Minneapolis, Minnesota.
