1 friend's registration on the website?

2 A. I was able to find my friend's registration
3 on the website.

4 Q. Were you able to select the item from the
5 registry that you wanted to purchase?

6 A. I had difficulty determining whether or not

11 difficulty, but it was difficult to navigate around the
12 site and determine if the item had been placed in my
13 cart. From my best estimate, the item had reached my
14 cart, but I was not entirely sure because the website

16 Q. Are you able to explain in any greater detail
17 the difficulty in determining whether the item was in
18 fact in your cart?

20 Q. At some point were you able to determine that
21 there was an item in the cart such that you were ready
22 to begin a checkout phase?

23 A. I was never completely confident that there
24 was an item in the cart, but I did seek to check out.

25 Q. Did you ever locate information on the screen
