 26 AND RELATED COUNTERCLAIM.
 27

1 WHEREAS, the parties' reply briefs in support of their motions for summary judgment
2 are due to be filed by April 16, 2010;

3 WHEREAS defendant GE Transportation Systems Global Signaling, LLC ("GETS")
4 submits that good cause exists to allow the reply briefs to exceed the otherwise applicable limit of
5 15 pages for such reply briefs by up to 10 pages because (1) arguments raised in the opposition
6 briefs were not addressed in the opening briefs, (2) BART filed eight declarations in support of its
7 opposition brief, (3) 15 pages is otherwise insufficient because of the complexity of the case and
8 the importance of the issues within the case; and (4) plaintiff San Francisco Bay Area Rapid
9 Transit District has agreed to stipulate to an increase in the number of pages permitted as an
10 accommodation to GETS, and for the sake of reciprocity asks that any increase in the number of
11 pages permitted apply to both parties;

12 NOW THEREFORE, the parties hereby stipulate, and respectfully request that the Court
13 so order, that the parties may file reply briefs in support of their motions for summary judgment
14 of up to 25 pages in length.
