On August 13, 2010, the parties informed the Court they had reached a settlement following mediation. Based on such advice and the parties' stipulation, the Court scheduled a status conference for September 3, 2010, at 1:30 p.m.

The parties are still in the process of finalizing the settlement agreement, because it includes provisions regarding the transfer of technology, and certain individuals whose approval is required to finalize the agreement are currently travelling. The parties therefore stipulate that the Court may continue the status conference. The parties respectfully ask the Court to order the conference continued for two weeks, to Friday, September 17, 2010 at 1:30 p.m.
