17
18 By order filed February 1, 2010, the Court granted in part and deferred in part ruling
19 on defendant Hewlett-Packard Company's ("Hewlett-Packard") "Administrative Motion to
20 File Under Seal its Motion to Exclude the Testimony of Plaintiff's Damages Expert, Randy
21 Sugarman, and Evidence Submitted in Support Thereof." Specifically, the Court granted
22 the motion to the extent Hewlett-Packard sought leave to file under seal material
23 designated as confidential by Hewlett-Packard and deferred ruling on the motion to the
24 extent the motion sought leave to file under seal material assertedly designated as
25 confidential by plaintiff MMCA Group, Ltd. ("MMCA"), defendant PICA Corporation
26 ("PICA"), and former defendant Pinkerton Consulting & Investigations ("Pinkerton"), in order
27 to afford those entities additional time to file a responsive declaration to Hewlett's Packard
28 administrative motion. Thereafter, MMCA and PICA filed responsive declarations;

1 Pinkerton did not.

2 Having read and considered the responsive declarations filed by MMCA and PICA,
3 the Court rules as follows:

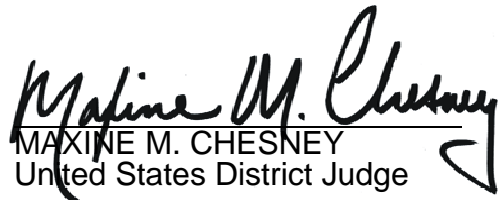

4 1. To the extent the administrative motion seeks leave to file under seal material
5 designated as confidential by MMCA and PICA, the motion is hereby GRANTED.

6 2. To the extent the administrative motion seeks leave to file under seal material
7 designated by Pinkerton as confidential, specifically, Exhibits M and O to the Declaration of
8 Robert Cozzolina, the motion is hereby DENIED. See Civil L.R. 79-5(d).

9 3. Hewlett-Packard is hereby DIRECTED to file in the public record, no later than
10 February 24, 2010, redacted versions of the motion to exclude, the Declaration of Robert
11 Cozzolina, and the Declaration of Samuel Liversidge. Specifically, Hewlett-Packard is
12 directed to file in the public record the portions of the above-referenced documents that do
13 not discuss material the Court has directed be filed under seal in the instant order and in its
14 February 1, 2010 order.¹

15 **IT IS SO ORDERED.**

26 ¹In its February 1, 2010 order, the Court found the Motion to Exclude and supporting
27 declarations are not in their entirety confidential, and, accordingly, that Hewlett-Packard
28 was required to file redacted versions thereof in the public record. See Civil L.R. 79-5(a)
(providing motion to file document under seal “must be narrowly tailored to seek sealing
only of sealable material”).
