- 2. CONSOLIDATION --- The civil actions transferred to this Court or related to the actions already pending before this Court are consolidated for pretrial purposes. Any "tag-along actions" later filed in, removed to, or transferred to this Court, or directly filed in the Northern District of California, will automatically be consolidated with this action without the necessity of future motions or orders. This consolidation does not constitute a determination that the actions should be consolidated for trial, nor does it have the effect of making any entity a party to any action in which he, she or it has not been named, served or added in accordance with the Federal Rules of Civil Procedure.
- Matters relating to pretrial and discovery proceedings in these cases will be addressed at an initial pretrial conference on **Friday, December 8, 2005 at 11:00 a.m.** before Judge Charles R. Breyer in Courtroom 8, 19th Floor, United States Courthouse, 450 Golden Gate Avenue, San Francisco, California. The parties shall be prepared to discuss a schedule for resolving the competing motions for appointment as interim lead counsel and the motions for preliminary approval of settlement. Accordingly, the hearings on the pending motions for preliminary approval of settlement and appointment of interim lead counsel are VACATED and the motions for shortened time are DENIED as MOOT. If the parties have any suggestions as to additional agenda items for the initial conference, these suggestions shall be filed by **December 4, 2005.**
- 4. INITIAL CONFERENCE APPEARANCES --- Each party represented by counsel shall appear at the initial pretrial conference through the party's attorney who will have primary responsibility for the party's interest in this litigation. Parties not represented by counsel may appear in person or through an authorized and responsible agent. To minimize costs and facilitate a manageable conference, parties with similar interests may agree, to the extent practicable, to have an attending attorney represent the party's interest at the conference. A party will not by designating an attorney to represent the party's interest at

the conference be precluded from other representation during the litigation, nor will attendance at the conference waive objections to jurisdiction, venue or service.

- 5. RESPONSE EXTENSION AND STAY--- Defendants are granted an extension of time for responding by motion or answer to the complaint(s) until a date to be set by this Court. Pending the initial conference and further orders of this Court, all outstanding discovery proceedings are stayed, and no further discovery shall be initiated.
- 6. MASTER DOCKET FILE --- All pleadings and filings shall be made in the master file, **No. M 06-1793 CRB**. The caption of each pleading shall read "In Re: International Air Transportation Surcharge Antitrust Litigation" and, in addition to the master file number, shall include the identification "MDL No. 1793." When a pleading is intended to apply to all actions, this shall be indicated by the words: "This Document Relates to All Cases." When a pleading is intended to apply to fewer than all cases, this Court's docket number for each individual case to which the document number relates shall appear immediately after the words "This Document Relates to."
- 7. FILING --- This case is subject to Electronic Case Filing ("ECF"), pursuant to General Order 45, Section VI of which requires that all documents in such a case be filed electronically. General Order 45 provides at Section IV (A) that "Each attorney of record is obligated to become an ECF User and be assigned a user ID and password for access to the system upon designation of the action as being subject to ECF." If she or he has not already done so, counsel shall register forthwith as an ECF User and be issued an ECF User ID and password. Forms and instructions can be found on the Court's Web site at ecf.cand.uscourts.gov.

All documents shall be e-filed in the master file, M 06-1793 CRB. Documents that pertain to one or only some of the pending actions shall *also* be e-filed in the individual case(s) to which the document pertains.

The duty extends to documents, data, and tangible things in the possession, custody and control of the parties to this action, and any employees, agents, contractors, carriers, bailees, or other nonparties who possess materials reasonably anticipated to be subject to discovery in this action. "Documents, data, and tangible things" shall be interpreted broadly to include writings, records, files, correspondence, reports, memoranda, calendars, diaries, minutes, electronic messages, voice mail, E-mail, telephone message records or logs, computer and network activity logs, hard drives, backup data, removable computer storage media such as tapes, discs and cards, printouts, document image files, Web pages, databases, spreadsheets, software, books, ledgers, journals, orders, invoices, bills, vouchers, checks statements, worksheets, summaries, compilations, computations, charts, diagrams, graphic presentations, drawings, films, charts, digital or chemical process photographs, video, phonographic, tape or digital recordings or transcripts thereof, drafts, jottings and notes, studies or drafts of studies or other similar such

material. Information that serves to identify, locate, or link such material, such as file
inventories, file folders, indices, and metadata, is also included in this definition. Until
the parties reach an agreement on a preservation plan or the Court orders otherwise,
each party shall take reasonable steps to preserve all documents, data and tangible things
containing information potentially relevant to the subject matter of this litigation.
Counsel is under an obligation to the Court to exercise all reasonable efforts to identify
and notify parties and non-parties, including employees of corporate or institutional
parties.
