16 v.

17 JOHN ZUCCARINI,

18 Judgment Debtor.
19 _____/

20 Defendant John Zuccarini has filed a motion to stay the Court's June 15, 2010 order denying
21 both parties' applications for temporary injunctive relief barring the sale or transfer of certain domain
22 names held by the receiver. Defendant has appealed the Court's ruling and seeks a stay pending his
23 appeal.

24 Defendant's motion is DENIED, as granting a stay would have no practical effect. The June 15
25 ruling left the parties in the same position they were in previously, with no injunctive relief in place to
26 prevent an auction of the domain names.

27 **IT IS SO ORDERED.**

28 Dated: June 25, 2010
