10 Because the Government already has these interview reports, the defense is not
 11 providing additional copies at this time but will do so upon request.

12 3. Communications between the Government and Michael Rains pertaining to
 13 promises and representations made by the Government to Mr. Bonds before his Grand Jury
 14 testimony, and events subsequent to the promises and representations but before he testified.

15 Because the Government already has these communications, the defense is not
 16 providing additional copies at this time but will do so upon request.

17 4. BB3263 – 3269; BB3470-3473.

18 Because the Government already has these documents, the defense is not providing
 19 additional copies at this time but will do so upon request.

20 5. Depending upon the outcome of pending Motions *in Limine*, Defendant
 21 reserves the right to offer into evidence purported laboratory documents produced in
 22 discovery by the Government, for the purpose of contradicting, explaining and/or
 23 impeaching purported “test results.”

24 Additional exhibits may be offered in evidence by the defense. Defense counsel
 25 believe that listing additional documents, which are impeachment evidence, would be
 26 inconsistent with the Defendant’s right to an effective defense. It would provide untruthful
 27 Government witnesses – if any there be – with advance notification of impeaching evidence,
 28 so that they could tailor their testimony accordingly.
