v.

IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA Case No. 07-0201 SC JEFF POKORNY, LARRY BLENN, and ORDER ON CONFIRMATION OF KENNETH BUSIERE, on behalf of ATTORNEYS' FEES MOTION themselves and those similarly situated, Plaintiffs, QUIXTAR, INC., et al., Defendants.

On November 30, 2012, the Court issued an order in the abovecaptioned matter that, among other things, deferred its ruling on Plaintiffs' unopposed motion for attorneys' fees, ECF NO. 225, "until such time as the Court is satisfied that the proposal for distribution of excess has been effected and a plan for equitable distribution of the settlement proceeds has been adduced and finalized." ECF No. 246. Given the progress of this case, the Court anticipates the imminent resolution of Plaintiff's motion for attorneys' fees.

The Court therefore requests that Class Counsel confirm

whether the amounts they requested in their motion remain the same at this point in the case. The Court reminds Class Counsel that Class Counsel's fees will be reduced by \$16,000, in accordance with the Court's April 16, 2013 Order. ECF No. 275 at 2. To be clear, in requesting this confirmation, the Court is not inviting an amended motion.

Class Counsel's confirmation report should also state, in very brief terms, how the fees, costs, and incentive compensation they have requested will affect the distribution of settlement proceeds, if at all.

The deadline for the report is fourteen (14) days from this Order's signature date. Class Counsel should include a finalized proposed order on fees, expenses, and incentive awards with their report.

IT IS SO ORDERED.
