UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

DAVID B. GRECU,

No. C-07-0780 EMC

Petitioner,

v.

ORDER RE CHAMBERS COPIES

WARDEN M.S. EVANS,

Respondent.

Under General Order 45 and this Court’s standing order, a chambers copy of a paper filed with the Court must be provided no later than noon on the next business day after the document is filed. Because Petitioner is represented by Court-appointed counsel, and counsel is located in Washington, D.C., application of the General Order and standing order here would require counsel to incur not insignificant expedited mailing costs (*e.g.*, Federal Express). Accordingly, the Court hereby **GRANTS** Petitioner relief from General Order 45 and the standing order. More specifically, the Court shall only require next-day chambers copies for substantive documents for which there is a scheduled hearing in 14 days or less. For all other documents, Petitioner may use regular mail.

IT IS SO ORDERED.

Dated: February 22, 2012

EDWARD M. CHEN
United States District Judge
