IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

HERBERT ANTHONY ADDERLEY, on
behalf of himself and all others similarly
situated,

Plaintiffs,

v.

NATIONAL FOOTBALL LEAGUE
PLAYERS ASSOCIATION, a Virginia
corporation, and NATIONAL FOOTBALL
LEAGUE PLAYERS INCORPORATED
d/b/a PLAYERS INC., a Virginia
corporation

Defendants.

No. C 07-00943 WHA

CLASS ACTION

**ORDER APPROVING
ADDITIONAL SEARCHES
AND MAILINGS**

Given the fact that 202 class members — or roughly ten percent of the class — did not receive either the first or second round of mailings informing them that they were entitled to participate in the settlement (and will be foreclosed from receiving any payments once the final round of disbursements has been approved), the undersigned judge believes that additional efforts to reach these 202 class members are necessary. This order therefore **APPROVES** class counsel's proposal to use the social security numbers of these 202 class members to search for additional contact information. If a new address is found, counsel — as they have proposed — shall mail the class member a claim form at the new address and allow an appropriate amount of time for the form to be returned.

Counsel shall apprise the Court **BY THURSDAY, JULY 29, 2010**, of the dates that these claim forms will be mailed to class members and that responses will be due. To be clear, this order is limited to those class members where the claim forms were returned as “undeliverable” in both mailings. Counsel need not perform additional searches for non-responsive class members where delivery of the forms appeared to be successful.

IT IS SO ORDERED.

Dated: July 21, 2010.

UNITED STATES DISTRICT JUDGE
