STIPULATION RE MOTION FOR APPROVAL OF SECURITY

Defendants SAP AG, SAP America, Inc., and TomorrowNow, Inc. (“Defendants”) and Oracle USA, Inc., Oracle International Corporation and Siebel Systems, Inc. (“Oracle,” and together with Defendants, the “Parties”) request entry of an order approving a supersedeas bond in the amount of \$1,325,033,547.00 as appropriate security to stay execution of the final judgment entered on February 3, 2011 (ECF No. 1036), pending disposition of post-judgment motions and, if necessary, appeal. Defendants reviewed the revisions proposed by Oracle as further explained in its Opposition (ECF No. 1072) and have had an opportunity to confer with the sureties insuring the bond regarding Oracle’s suggested revisions. Defendants have now accepted the revisions proposed by Oracle and proposed one minor addition. The Parties met and conferred further, and with these revisions, have reached an agreement on a stipulated bond form, which is attached as Exhibit A. Accordingly, the Parties jointly request that the Court approve this revised bond form and grant Defendants 10 business days to obtain the necessary signatures and file a signed version of this bond form with the Court for final approval. A hearing on the Defendants’ Motion is no longer required.

IT IS SO STIPULATED.
