Having considered the papers filed in connection with pro se plaintiff Terry M. Myers’ Amended Motion for Leave to Intervene (“Amended Motion”):

IT IS HEREBY ORDERED THAT: The Amended Motion is DENIED.

Rule 24(c) of the Federal Rules of Civil Procedure provides that “[a] motion to intervene must . . . state the grounds for intervention and be accompanied by a pleading that sets out the claim or defense for which invention is sought.” Fed. R. Civ. P. 24(c). Despite including new allegations, the Amended Motion remains incomprehensible—largely repeating the allegations of the original motion to intervene—and again wholly fails to state any basis for intervention as required by the Federal Rules.

IT IS SO ORDERED.
