23 Plaintiffs,

24 v.

25 SAP AG, et al.,

26 Defendants.

Case No. 07-CV-1658 PJH (EDL)

**DEFENDANTS' TRIAL EXHIBIT  
 LIST FOR NEW TRIAL**

1 Defendants submit the attached trial exhibit list that contains those exhibits that will be  
2 offered as evidence in Defendants' case in chief in support of their claims and defenses. *See*  
3 Exhibit "A." This list is limited to the claims and defenses currently available in this case based  
4 on the parties' stipulations and the Court's prior orders.

5 Defendants reserve the right to add or remove exhibits in light of the Defendants' ongoing  
6 efforts to streamline trial and the Court's further rulings on pending motions. Defendants also  
7 reserve the right to add to the trial exhibit list those documents underlying the Rule 1006  
8 Summaries currently identified. Further, consistent with Federal Rule of Evidence 705,  
9 Defendants also identify those materials Stephen Clarke relied upon for his expert opinions (i.e.,  
10 A-5000 to A-9318 from Defendants' 10/31/10 Amended Trial Exhibit List and all exhibits on  
11 Exhibit "A" citing Clarke as the sponsoring witness). Defendants reserve the right to use these  
12 reliance materials at the new trial should Plaintiffs put any of them at issue. Moreover, several  
13 exhibits are designated solely for foundational purposes. Should Oracle stipulate to or the Court  
14 rule on the admissibility of certain exhibits prior to trial, Defendants' exhibit list will be further  
15 narrowed.

16 Dated: April 26, 2012

Respectfully submitted,
