Oracle USA, Inc., et al v SAP AG, et al

I recently reviewed the Declaration of Ann Harten, Vice President of Global Information Systems at Haworth Inc. dated July 27, 2010 (SAP – SKC118356/57). Ms. Harten's declaration is further support for my exclusion of the customer from my disgorgement damages calculation.

Sections 5 and 6 of the Declaration indicate that Haworth belongs in the following pools: Standardization, Competitive Evaluation, Other-Disgorgement, Dislikes Fusion and SAP Relationship.
