22 ORACLE USA, INC., et al.,

23 Plaintiffs,

24 v.

25 SAP AG, et al.,

26 Defendants.

Case No. 07-CV-1658 PJH (EDL)

**DEFENDANTS' LIST OF
 DEPOSITION DESIGNATIONS FOR
 USE AT NEW TRIAL**

1 Defendants submit the attached list of deposition designations for use in the new trial. *See*
2 Exhibit "A." Defendants' list is broader than necessary due to the overwhelming number of
3 designations Plaintiffs have included that are not directed to the issues remaining in this matter.
4 To the extent those designations are removed, Defendants will be withdrawing a large number of
5 counter designations. Additionally:

6 1. The attached designations may contain testimony to which counsel objected.
7 Defendants do not intend to play objections to the jury when the clips are played at trial. Only the
8 question and answer shall be played at trial. Moreover, to the extent that the attached deposition
9 designations do not designate those portions of the transcripts that contain Defendants' objections
10 to the portions of testimony designated by Plaintiffs, that is not intended to be, and shall not be
11 considered as, a waiver of Defendants' objections to Plaintiffs' designated testimony.

12 2. If a deposition exhibit is referred to or used in any of the attached designated
13 deposition testimony, that exhibit is deemed to be a part of the deposition designation.

14 3. To the extent that any witness named in the attached designations provided their
15 deposition testimony in a representative capacity (*i.e.*, under Fed. R. Civ. P. 30(b)(6)) on behalf of
16 a party or third party entity, that fact is noted on the face of the deposition transcript.

17 4. Defendants may further narrow, tailor or determine not to play some portion or all
18 of the attached deposition designations.

19 5. Defendants reserve the right to use any of Plaintiffs' or Defendants' deposition
20 designations at trial.
