Justification (Provide justification for individual requests and the overall deal):
On 2/9/05, customer committed (via email) to renew annual support for all three contracts. Per discussions with the AE (Brian Flynn) and the customer, Comupter Associates is converting to an all SAP shop. In the future, they would cancel all support. Invoices USA0133165, USAUSA133166, USA133167 were each issed on 2/15/05. On 3/2/05, customer notified us via phone and certified letter that they were canceling support on all products. Both the AE and SSM unsuccessfully tried to continually contact the customer to understand why they would commit to annual support on 2/9/05 and then cancel on 3/2/05. To date, we have had no response from the customer. Verified that the customer has not used support
