Hi Beth,

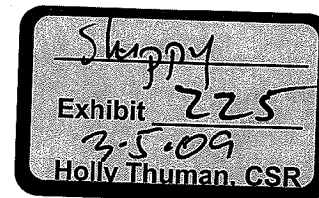

Here's the reinstatement spreadsheet back. I only got the phase 2 stuff done, I just didn't have a chance to get to the <6mo tab. Have a great weekend!

Team,

This is the reinstatement report we created a few weeks ago - broken down by top 20, phase 2 and <6mo from the At Risk lost customer report.

I cross-referenced the top 20 tab against Howard's report (see column S) and also looked at OKS (column T).

Let me know what's next...

thanks,  
Beth
