Case No. 07-CV-01658 PJH (EDL)

**PLAINTIFFS' DEPOSITION EXCERPTS
 AND DISCOVERY RESPONSES**

Date: September 30, 2010
 Time: 9:00 am
 Place: 3rd Floor, Courtroom 3
 Judge: Hon. Phyllis J. Hamilton

Case No. 07-CV-01658 PJH (EDL)

1 Pursuant to the Court’s Pretrial Instructions, Plaintiffs Oracle USA, Inc., Oracle
2 International Corporation, Oracle EMEA Limited, and Siebel Systems, Inc. (collectively,
3 “Oracle”) submit their deposition designations for use at trial, attached as Exhibit A, and
4 incorporate those designations by reference as if set forth here in full. The attached deposition
5 designations for use at trial are based on the claims and defenses currently asserted in this case
6 and may be updated in light of the parties’ ongoing efforts to streamline trial, any rulings from
7 the Court, and any further legal proceedings, including pending motions for summary judgment,
8 motions in limine and *Daubert* motions.

9 Further, like Defendants’ designations, Oracle’s attached deposition designations may
10 contain questions to which a privilege instruction was given and the deponent either limited his
11 or her answer or did not answer. Oracle has provided such designations for the sake of
12 convenience only, and without waiving any privilege objections or related instructions. To the
13 extent that a deponent refused to answer a question based on an instruction not to answer, Oracle
14 may decide not to affirmatively designate such questions and responses and may edit those
15 references out of the designations before any of the testimony contained in the designations is
16 introduced at trial. These types of privilege objections and related instructions may further be
17 included to facilitate the parties’ pretrial review of the testimony and related objections and
18 instructions, and if necessary, any subsequent rulings on the same.

19 The attached designations may also contain testimony to which counsel objected. Oracle
20 does not intend to play objections to the jury when the clips are played at trial. Only the question
21 and answer shall be played at trial. Moreover, to the extent that the attached deposition
22 designations do not designate those portions of the transcripts that contain Oracle’s objections to
23 the portions of testimony designated by Defendants, that is not intended to be, and shall not be
24 considered as, a waiver of Oracle’s objections to Defendants’ designated testimony. The parties
25 have yet to establish a definitive schedule by which they will exchange a list of those questions
26 for which the parties intend to stand on their objections and seek a ruling prior to attempting to
27 introduce the disputed testimony at trial. The parties have agreed that those objections would be
28 exchanged at some time after the pretrial conference on September 30, 2010.
