**ORDER DENYING PLAINTIFF'S
RENEWED MOTION FOR A
TEMPORARY RESTRAINING ORDER**

On April 18, 2007, plaintiff filed his complaint and a request for an emergency injunction. Reading the request as a motion for a temporary restraining order, and after a full hearing, I denied plaintiff's request. On April 19, 2007 plaintiff filed an amended complaint and a nearly-identical request for a temporary restraining order. The showing he now makes is not materially different than his earlier showing to cause me to alter my ruling. Plaintiff's renewed motion for a temporary restraining order is **DENIED**.

Dated: April 20, 2007

United States Magistrate Judge
