Defendants.

Case No.: C 07-02361 JSW

**AMENDED STIPULATION  
REGARDING SUPPLEMENTAL AND  
FURTHER PRODUCTION OF  
DOCUMENTS AND  
ELECTRONICALLY STORED  
INFORMATION**

CLASS AND DERIVATIVE ACTION

<sup>1</sup> Admitted *pro hac vice*.

<sup>2</sup> Other Counsel of record listed on signature page.

1 Plaintiffs Clarke and Rebecca Wixon, and Norman and Barbara Wixon, and Kandice  
2 Scattolon (hereafter collectively "Plaintiffs"), and Defendant Wyndham Resort Development  
3 Corporation (hereafter "WRDC") hereby stipulate to the following amendment to the Stipulation  
4 Regarding Supplemental Production and Further Production of Documents and Electronically  
5 Stored Information between Plaintiffs and WRDC entered by the Court on January 8, 2010 (the  
6 "ESI Stipulation") (Dkt. #444) and respectfully request that the Court amend its order  
7 accordingly:  
8

9 1. Paragraph A.2.b(1) of the ESI Stipulation provides that WRDC will produce to  
10 Plaintiffs "the search term positive supplemental ESI obtained for all custodians (except Crane  
11 and Darone) identified in subparagraph A.2.b, above, that does not contain a privilege term."  
12

13 2. WRDC's e-discovery vendor, Cataphora, Inc. ("Cataphora"), recently informed  
14 WRDC's counsel that a hard drive containing a supplemental Postini collection for the individual  
15 custodians listed in Paragraph A.2.b of the ESI Stipulation other than Crane and Darone was  
16 damaged and could not be processed for production to Plaintiffs by February 8, 2010.  
17 (Declaration of Lewis Ripple dated February 5, 2010 ("Ripple Dec."), filed contemporaneously  
18 herewith, ¶ 12.)

19 3. After being notified of the damaged Hard Drive, WRDC began delivering the  
20 supplemental Postini collection for the individual custodians listed Paragraph A.2.b of the ESI  
21 Stipulation (other than Crane and Darone) to Cataphora again. (*Id.* at ¶ 13.)

22 4. Cataphora has made all necessary arrangements to expedite the processing and  
23 production of this information and intends to produce ESI related to 11 of the 24 custodians at  
24 issue to Plaintiffs on WRDC's behalf by February 13, 2010. (*Id.* at ¶ 14.)

25 5. Cataphora intends to produce ESI related to the remaining 13 of the 24 custodians  
26 at issue to Plaintiffs on WRDC's behalf by February 16, 2010. (*Id.* at ¶ 15.)  
27  
28

1           6.       The above-described events, while unforeseen, prevent WRDC from meeting the  
2 agreed-upon February 8, 2010 production deadline for individual custodians listed in Paragraph  
3 A.2.b. of the ESI Stipulation (other than Crane and Darone). Due to these unforeseen events,  
4 Plaintiffs and WRDC now stipulate to amend Paragraph A.2.b of the ESI Stipulation to provide  
5 that WRDC's vendor, Cataphora, will produce to Plaintiffs on WRDC's behalf search term  
6 positive ESI related to the supplemental Postini collection for the individual custodians listed in  
7 Paragraph A.2.b of the ESI Stipulation (other than Crane and Darone) that does not contain a  
8 privilege term, by the following amended deadlines:  
9

10                   (A)     Production of ESI for 11 of the 24 individual custodians listed by  
11                               February 13, 2010; and

12                   (B)     Production of ESI for the remaining 13 of the 24 individual custodians  
13                               listed by February 16, 2010.
