~~Having reviewed the parties' papers, stipulation, and relevant legal authority, and for other good cause shown, the Court hereby GRANTS the stipulated request of Defendant Wyndham Resort Development Corporation and Plaintiffs to exceed page limitation. Wyndham may have up to 25 pages (exclusive of title page, table of contents, table of authorities, statement of relief sought, statement of issues, and summary of argument) for each of its briefs in support of its Motions to Exclude Expert Opinions of Russell Lamb, Ph.D. and to Decertify the Class.~~

For the reasons set forth below, the parties' stipulated request is DENIED.

**IT IS SO ORDERED.**

Dated June 30, \_\_\_\_\_, 2010.

  
HONORABLE JEFFREY S. WHITE

Although the parties have stipulated to this request, the fact of a stipulation does not demonstrate good cause for exceeding this Court's page limitations. The Court is intimately familiar with the facts underlying this case, as well as the procedural history. The Court's ruling is without prejudice to renewing the request. However, the Court cautions the parties that it is not inclined to look favorably on such a request absent a showing of extremely good cause *and need* for ten additional pages for each motion.

1 Respectfully submitted,
