CONSENT DECREE AND ORDER OF FINAL ADJUDICATION

This matter having come before the Court and it being represented that Plaintiff Intelligraphics, Inc. and Defendant Marvell Semiconductor, Inc. have reached agreement regarding a consent decree adjudicating Intelligraphics’ Sixth Cause of Action (Copyright Infringement under 17 U.S.C. § 101 *et seq.*) as it relates to Advanced Roaming Software:

Based upon the agreement, consent, and approval of the parties, IT IS HEREBY ORDERED AND ADJUDGED that:

1. This Court has jurisdiction over the parties and the subject matter of this action.
2. On May 9, 2007, Intelligraphics filed a Complaint against Marvell. The Sixth Cause of Action in the Complaint is titled “Copyright Infringement under 17 U.S.C. § 101 *et seq.*” (the “Copyright Claim”). The Copyright Claim alleges that Marvell infringed Intelligraphics’ exclusive rights under the copyright law of the United States for two distinct works, namely the (1) Motorola Project code; and (2) Advanced Roaming Software.
3. On June 19, 2007, Intelligraphics filed a First Amended Complaint. The Sixth Cause of Action in the First Amended Complaint re-alleges the Copyright Claim with regard to the same two works.
4. Marvell does not infringe and has not infringed any of Intelligraphics’ exclusive rights under the copyright law of the United States, 17 U.S.C. § 101 *et seq.*, with regard to the Advanced Roaming Software alleged to infringe in the Copyright.

IT IS SO ORDERED.
