Re: *Patricia DeSantis, et al. v. City of Santa Rosa, et al.*
U.S.D.C. No. Dist. of CA, Case No. C 07-3386 JSW (consolidated)
Settlement Conference: May 6, 2013

Dear Mag. Judge Spero:

This matter is set for a post-trial settlement conference before you on May 6, 2013. It has come to my attention that Defendant Rich Celli will be unable to attend the settlement conference due to an out of town training course which is part of an 8 month program. He has attended the last three settlement conferences.

Accordingly, this is to request that Defendant Celli be excused from attending the settlement conference on May 6. Plaintiff's attorneys have no objection, and I will have complete authority to negotiate on his behalf.

Thank you for your consideration.

Dated: 4/17/13

Very truly yours,

Caroline L. Fowler
