employees,

Plaintiff,

v.

ROSS STORES, INC., a Delaware
Corporation, ROSS DRESS FOR LESS,
INC., a Virginia Corporation, and DOES

Defendants.

CASE NO.: CV 07-03430

SUPPLEMENTAL DECLARATION OF
CLAIMS ADMINISTRATOR

The Hon. Judge Maxine M. Chesney

1 I, John Davis, hereby declare and state as follows:

2 1. I am the Assistant Director of Claims Administration for RG/2 Claims
3 Administration LLC ("RG/2 Claims"), whose address is 30 South 17th Street, Philadelphia, PA
4 19103. I am over the age of 18, have personal knowledge of the matters set forth herein, and if
5 called upon to do so, could testify competently to them.

6 2. That on September 17, 2008, RG/2 Claims received an electronic file from counsel
7 for the Defendants which was represented to contain the list of eligible Class Members and
8 relevant employment and demographic data. Based upon analysis of the electronic file RG/2
9 Claims determined there to be 2,489 total potential Class Members.

10 3. That on September 29, 2008, RG/2 Claims caused to be served by First Class U.S.
11 Mail the Notice of Proposed Class Action Settlement and Final Fairness and Approval Hearing
12 and the Consent & Claim Form (collectively referred to as the "Initial Notice Packets") to the
13 2,489 potential Class Members.

14 4. That prior to mailing the 2,489 Initial Notice Packets, in order to locate the most
15 recent addresses for Settlement Members, RG/2 Claims ran the list of 2,489 names and the
16 addresses received from counsel through the United States Postal Service's National Change of
17 Address database ("NCOA").

18 5. That on December 23, 2008, RG/2 Claims caused to be served by First Class U.S.
19 Mail the Supplemental Notice of Proposed Class Action Settlement and Final Fairness and
20 Approval Hearing and the Consent and Claim Form (collectively referred to as the "Supplemental
21 Notice Packets") to the 1,502 potential Class Members who as December 23, 2008 had not yet
22 submitted a Consent & Claim Form ("Claim Form").

23 6. That prior to mailing the 1,502 Supplemental Notice Packets, in order to locate the
24 most recent addresses for Settlement Members, RG/2 Claims ran the list of 1,502 potential Class
25 Members who as December 23, 2008 had not yet submitted a Consent & Claim Form through the
26 United States Postal Service's National Change of Address database ("NCOA"). Where address
27 information could not be confirmed or updated using NCOA, RG/2 Claims performed address
28 searches using public and proprietary electronic records which collect their data from various

1 sources such as utility records, property tax records, motor vehicle registrations (where allowed)
2 and credit bureaus to locate the most recent addresses for potential Class Members.

3 7. That after mailing the Initial Notice Packets and Supplemental Notice Packets
4 (collectively referred to as "Notice Packets") but before February 9, 2009, 308 potential Class
5 Member's Notice Packets were returned by the United States Postal Service as undeliverable.
6 RG/2 Claims mailed new Initial Notice Packets, or Supplemental Notice Packets for those
7 returned after December 23, 2008, to nineteen of the 308 individuals based upon forwarding
8 addresses provided by the United States Postal Service. For the 289 individuals whose Notice
9 Packets were returned by the United States Postal Service without provision of a forwarding
10 address, RG/2 Claims performed an additional address search for the returned mail and located an
11 updated address for thirteen Settlement Members. RG/2 Claims mailed a new Initial Notice
12 Packet, or Supplemental Notice Packets for those returned after December 23, 2008, to the 200
13 Settlement Members for whom an updated addresses was located.

14 8. That as of February 9, 2009, there were 89 potential Class Members whose Notice
15 Packets were returned as undeliverable and for whom RG/2 Claims was unable to obtain a valid
16 alternative address. RG/2 Claims performed address searches using public and proprietary
17 electronic resources which collect their data from various sources such as utility records, property
18 tax records, motor vehicle registration records (where allowed) and credit bureaus.

19 9. That on February 26, 2009, Counsel for the Defendant informed RG/2 Claims that
20 the electronic file produced on September 28, 2008 inadvertently contained individuals who were
21 excluded from participation in this action because of the release of overtime and related claims
22 arising from their exempt status in *Taylor v. Ross Stores Coordinated Actions*, San Bernardino
23 County Superior Court Case No. RCV 065453 ("*Taylor*"). After review of the data previously
24 provided, RG/2 Claims removed the individuals excluded by their release of claims in *Taylor*
25 from the list of 2,489 potential Class Members and determined the Class in this matter instead
26 contains 2,003 individuals with a total of 104,174.71 total workweeks in the class.

27

28

1 10. That as of March 2, 2009, RG/2 Claims has received submissions of Claim,
2 Waiver, Release and Consent to Join Forms ("Claim Forms") from 1,263 Class Members. A list
3 of the 1,263 individuals that have elected to file Claim Forms and therefore opt-in to this Fair
4 Labor Standards Act action is attached hereto as Exhibit A. The 1,263 Claim Forms received
5 represent submissions by 63.06% of the total 2,003 Class Members, and represents claims for
6 65.04% or 67,753.77 of the 104,174.71 total workweeks in the class.

7 11. That of the total 1,263 Claim Forms received by RG/2 Claims from Class
8 Members eligible to participate in this settlement, 1,239 Claim Forms were complete, accurate
9 and timely submitted. Of the remaining 24 Claim Forms received by RG/2 Claims three Claim
10 Forms were timely submitted but remain incomplete despite the issuance by RG/2 Claims of a
11 notice of defect to the Class Member; three Claim Forms were complete, accurate and received
12 by RG/2 Claims bearing a postmark after the February 9, 2009 deadline for timely submission;
13 seventeen Claim Forms were complete, accurate and received by RG/2 Claims by delivery from
14 the United States Postal Service after the February 9, 2009 deadline to submit claims but do not
15 bear a postmark establishing timely submission; and one Claim Form was incomplete and
16 received by RG/2 Claims by delivery from the United States Postal Service after the February 9,
17 2009 deadline to submit claims but does not bear a postmark establishing timely submission. Of
18 the seventeen Claims Forms that were received by RG/2 Claims by delivery from the United
19 States Postal Service after February 9, 2009 without a postmark, five were received by RG/2
20 Claims on February 10, 2009, four were received by RG/2 Claims on February 11, 2009, three
21 were received by RG/2 Claims on February 12, 2009, one was received by RG/2 Claims on
22 February 13, 2009, one was received by RG/2 Claims on February 17, 2009, one was received by
23 RG/2 Claims on February 19, 2009, one was received by RG/2 Claims on February 23, 2009, and
24 one was received by RG/2 Claims on February 27, 2009.

25 12. That as of March 2, 2009, RG/2 Claims has not received any objections to the
26 settlement from Class Members.
