**ORDER DENYING MOTION
TO LIFT STAY**

Maximus's motion to lift the stay is **DENIED**. The issues presented to the Court by the various summary judgment motions are sufficiently complex that the Court sees no need to further complicate one of them by requiring additional analyses of the factual circumstances of plaintiffs other than Fujisawa. While the Court is inclined to agree with Maximus's notion that the ruling as to Fujisawa should "be equally dispositive" as to the other plaintiffs, the Court will reserve that decision for the future.
