11 MICHAEL TOSCHI, et al.,

No. C 07-3625 MMC

12 Plaintiffs,

**ORDER DENYING DEFENDANT'S  
ADMINISTRATIVE MOTION TO  
EXCEED PAGE LIMITATION**

13 v.

14 COUNTY OF SAN MATEO, et al.,

15 Defendants.  
16 \_\_\_\_\_/

17 Before the Court is defendant County of San Mateo's ("County") "Administrative  
18 Motion to Exceed the Page Limitation for Forthcoming Dispositive Motions," filed January  
19 13, 2009. Plaintiffs have filed opposition. Having read and considered the papers filed in  
20 support of and in opposition to the motion, the Court finds the County has failed to  
21 demonstrate good cause for the relief requested. In particular, although the County asserts  
22 the instant action is "complicated" (see Mot. at 2:9), the County has failed to show that the  
23 effective briefing of any specific factual or legal issue requires an exception to the otherwise  
24 applicable page limitations.

25 Accordingly, the motion is hereby DENIED.

26 **IT IS SO ORDERED.**

27 Dated: January 21, 2009
