1 The parties have agreed on all details of a settlement agreement for this case, and the
2 agreement will be presented in closed session to the City Council and then must be approved in
3 open session of the Council. Due to the Council's schedule, the approval cannot take place until
4 early November. Because the parties would like to present a finalized settlement agreement for
5 Judge Laporte's approval at their next appearance before her, the parties stipulate and jointly
6 request that the Further Case Management Conference scheduled for October 13, 2009 at 3:00
7 PM be continued until on or after November 16, 2009, by which point the parties are confident
8 that the settlement agreement will be finalized.

9 IT IS SO STIPULATED.
