1. By Order of the court, dated December 12, 2008, the trial date and pre-trial conference in this matter were vacated.
2. The Parties continue to be engaged in efforts to resolve this matter amicably. The Parties agree that it is in their mutual best interest, and the interest of judicial efficiency that:
 - all proceedings in this Court be stayed for a period of 45 days;
 - all previously ordered trial and pre-trial deadlines be vacated;
3. During the 45 day period of stay, the Parties will make all best efforts to resolve this matter through settlement negotiations, including private mediation, if necessary.
4. In the event that settlement is not reached within 45 days of the filing of the present Stipulation, the Parties will file a request for a scheduling conference, scheduling order and trial date with the Court.
5. In the event that a new scheduling order and trial date is entered, the Parties will proceed with the present litigation under the new scheduling order and will make no requests for continuance or delay of that scheduling order, without good and sufficient cause.
6. Accordingly, the Parties jointly request the Court enter an Order as follows:
 - All proceedings in the present matter are stayed for a period of 45 days following the filing of the above stipulation;
 - All previously ordered pre-trial and trial deadlines are vacated;
 - The Parties are required, no later than 45 days following the filing of the above Stipulation, to file with the Court, a stipulation of dismissal of the present action, or a request for entry of a new scheduling order in the present matter.
