Case No. 08-CV-0757 CRB

**STIPULATION AND JOINT REQUEST FOR
RELIEF FROM ORDER SETTING CASE
MANAGEMENT CONFERENCE AND
[REPOSED] ORDER**

Pursuant to Local Rules 16-2(d) and 7-12, Plaintiff Jeffrey E. Walker and Defendants stipulate and jointly request a continuance of the Case Management Conference ("CMC") in this case for 70 days. Per the Court's order of February 27, 2012, the Case Management Conference is set for Friday, June 1, 2012 at 8:30 a.m., and the case has been referred for settlement mediation before Magistrate Judge Vadas. Mediation is currently scheduled for June 19, 2012.

The parties agree that the interests of justice would be served by a 70 day continuance of the CMC. Since the Court's order, the parties made repeated attempts to take Plaintiff's deposition. However, prison officials were unable to schedule a deposition date due to limited access to

1 deposition facilities at the prison and Plaintiff's unavailability. Since that time, the parties learned
 2 that Plaintiff is now available and, pending approval by prison officials, will take Plaintiff's
 3 deposition on June 15, 2012.

4 Both parties agree that mediation may be successful in this case, and that mediation should
 5 take place before the CMC. Continuing the CMC for 70 days will allow the parties to take Plaintiff's
 6 deposition, receive and review the transcript, and take part in a meaningful mediation session. In so
 7 doing, the dispute is more likely to be resolved through mediation with no further judicial
 8 intervention.

9 THEREFORE, IT IS HEREBY STIPULATED, AGREED, AND REQUESTED by the
 10 parties, through their respective counsel, that the Initial Case Management Conference currently
 11 scheduled to take place on June 1, 2012 be continued until August 10, 2012 at 8:30 a.m., or on such
 12 a date and at such a time thereafter as is convenient for the Court, and that the Settlement Mediation
 13 be continued until July 12, 2012, or on such a date and time thereafter as is convenient for the Court.
