**RE: Kevin Schilling vs. Transcor
 USDC, Case No. C08-0941 SI**

Dear Judge Illston:

The parties have met and conferred in light of the upcoming case management conference on July 10, and have agreed to make this joint request for a continuance of the case management conference until sometime in mid-August.

Several TransCor employees were deposed by plaintiffs last week in Nashville, and additional TransCor employee depositions are scheduled to take place on July 14 in Oklahoma City. Counsel for the parties are in the process of scheduling the depositions of the two plaintiff representatives who are incarcerated, and Kevin Schilling's deposition is scheduled to take place on August 13 in San Francisco.

In light of the upcoming discovery, the parties are in agreement that rescheduling the upcoming further case management conference would be preferable. Accordingly, on behalf of all parties, I am requesting that the court reschedule the case management conference.

Thank you for your consideration of this correspondence.

Very truly yours,

ANDREW C. SCHWARTZ
