Lastly, the parties shall meet and confer in person and seek joint permission of the Court to address any remaining disputes in the future. The Court has expended substantial resources of its own, as well as the services of a Magistrate Judge and a Special Master in its attempts to resolve the matters presented and focus the parties on resolution of this case on the merits. The parties must complete the jurisdictional discovery as limited by this Order by no later than March 22, 2011.

The parties are again admonished that failure to cooperate in meeting this deadline will result in sanctions ordered against the non-cooperating party.

IT IS SO ORDERED.
