Case No. CV 08-1577 WHA

**ORDER CONTINUING CASE
MANAGEMENT CONFERENCE
FOR TWO WEEKS**

Date: September 16, 2010

Time: 11:00 A.M.

Place: Courtroom 9, 19th Floor

11 Pursuant to Northern District of California Civil Local Rules 6-2, 7-12, and 16-2, Plaintiff
12 Gallup, Inc. ("Gallup") and Defendant Ijaz Shafi Gilani ("Gilani") jointly submit this stipulation
13 requesting an Order continuing and rescheduling the Case Management Conference currently
14 scheduled for September 16, 2010, to October 14, 2010, to allow the parties time to finalize an
15 agreement to settle the matter.

16 **IT IS HEREBY STIPULATED**, by and between Gallup and Gilani, and through their
17 respective attorneys, that:

18 1. The parties have agreed on the terms of an agreement to settle this matter and are
19 currently finalizing the specific language to be used for purposes of a Settlement Agreement.

20 2. Given the unique circumstances of this case and complications arising from the
21 fact that Defendant Gilani resides in Pakistan, finalizing the Settlement Agreement has taken
22 longer than expected or is typical.

23 3. Continuing the Case Management Conference will not impact other dates set by
24 the Court as there are no pending dates or deadlines currently set in the matter and the purpose of
25 the Case Management Conference was to establish dates related to the progression of the case.

26 4. This request for a continuance of the Case Management Conference is made in the
27 interest of justice and not for purposes of delay.

28 WHEREFORE, Gallup and Gilani pray that the Court enter an Order continuing and

1 rescheduling the Case Management Conference currently scheduled for September 16, 2010, to
2 October 14, 2010, to allow the parties an opportunity to finalize settlement of this matter.

PROPOSED ORDER

The undersigned judge will not continue the case management conference for four additional weeks while the supposed settlement is finalized. The parties will have until September 30 to finalize their settlement and file a stipulated dismissal of this action. The case management conference will be **CONTINUED** for two weeks to 11:00 a.m. on September 30, 2010. This two-week extension is only being granted due to the unusual circumstances of this action. If no dismissal is filed by this deadline, the parties must attend the conference and a trial schedule and other appropriate deadlines will be set. **No further requests for deadline extensions will be granted.** While this case is unusual, it cannot remain at a standstill while counsel engage in settlement negotiations.

IT IS SO ORDERED.

Dated: September 10, 2010.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE
