Case No. C08-01784-SI

**FURTHER CASE MANAGEMENT
STATEMENT AND PROPOSED ORDER**

Judge: The Honorable Susan Illston

Date: September 25, 2009

Time: 2:30 PM

Dept: 10

1 Plaintiff GA Escrow, LLC (“GA Escrow” or “Plaintiff”) and defendant Autonomy
2 Corporation PLC (“Autonomy” or “Defendant”) respectfully submit this further Joint Case
3 Management Statement and Proposed Order to update the court on the status of the litigation, and
4 request a stay of discovery in these proceedings, subject only to any agreements of the parties or
5 orders for the exchange of documents made by Judge Spero.

6 On July, 31, 2009, this Court held a Further Case Management Conference on this matter.
7 Following that conference, the Court issued a revised discovery schedule, extending the deadlines
8 for fact discovery cut-off, designation of experts and expert discovery. The Court also set a
9 Further Case Management Conference for September 25, 2009.

10 **1. Settlement and ADR.**

11 On August 18, 2009, the parties appeared for a Settlement Conference before Judge
12 Joseph C. Spero. As a result of the Settlement Conference the parties agreed in principal to a
13 process by which the claims at issue in this matter might be submitted to a third party expert for a
14 binding resolution. The parties have agreed to work together to craft mutually acceptable
15 questions to be submitted to a third party expert. The parties have also agreed to exchange lists of
16 three proposed experts from which a mutually acceptable third party expert might be chosen. A
17 Further Settlement Conference before Judge Spero has been set for October 7, 2009.

18 **2. Scheduling.**

19 In light of the fact that the parties will be engaging in further discussions in an effort to
20 move forward with the above referenced alternative dispute resolution process, the parties request
21 that all discovery - and corresponding discovery deadlines - in this matter be stayed. The parties
22 further request that the Court continue the Further Case Management Conference currently set for
23 Friday, September 25, 2009, until a date following the Further Settlement Conference before
24 Judge Spero set for October 7, 2009. Following the conference with Judge Spero, the parties will
25 notify the Court of the status of the settlement process. The parties recognize that should they be
26 unable to resolve this matter through the contemplated ADR process, the trial date currently set
27 for February 22, 2010, may need to be continued.
