Re: Zulewski et al. v. Hershey, Docket No. 3:11-CV-05117 BZ

Dear Judge Zimmerman:

The parties in the above-referenced matter write to Your Honor jointly to request a 90-day extension of the time period in which to complete ADR in this matter, which is currently set to expire today. As the Court is already aware, the parties currently have a mediation scheduled for June 4, 2012. A 90-day extension of the ADR deadline would allow the parties to complete their mediation on the scheduled date if possible or, if necessary, to reschedule the mediation for a date in late June or early July after the period allowed for individuals to opt into this action has passed. For these reasons, the parties respectfully request a 90-day extension of the deadline to complete ADR in this matter.
