steps to assure settlement once reached will be effected;

WHEREAS, respective counsel for the parties have been and continue to be in frequent contact to attempt to resolve the differences between the parties;

WHEREAS, the parties, mindful of this Court's interest in having this case resolved, and confident of the parties' ability to resolve this highly complex matter, are diligently working to finalize the settlement agreement. However, given the complicated nature of the one remaining intellectual property issue and due to the continuing time-zone and communication, multi-lingual and multi-cultural challenges faced by counsel for Defendants, the parties require a small amount of additional time;

WHEREAS, counsel for the parties believe that an additional fifteen (15) day suspension of applicable deadlines in this case will allow the parties and counsel to continue to devote their full attention and resources to a final resolution of this matter;

WHEREAS, the agreed upon extension of the fact and expert discovery deadlines, and dispositive motion deadlines is not for the purpose of delay, and the parties believe that this reasonable extension of time may well obviate the need for trial in this matter, and is in the interests of fairness and judicial economy.

ACCORDINGLY, the parties, by and through their undersigned counsel, HEREBY STIPULATE as follows:

In order to avoid prejudicing the parties' discovery efforts and trial preparations, and to allow the parties to focus on settlement negotiations, the parties agree and respectfully request that the current pre-trial schedule be modified as follows:
