Case No. C08-2497 JCS

**STIPULATED REQUEST FOR ORDER
 ENLARGING TIME AND
 [PROPOSED] ORDER**

[Civil L.R. 7-12]

Trial Date: Not set

20
 21 Both parties, plaintiff William Sepatis and defendant City and County of San Francisco, hereby
 22 stipulate to modify the briefing schedule for defendants' motion for summary judgment.

23 There is currently no trial date set in this case.

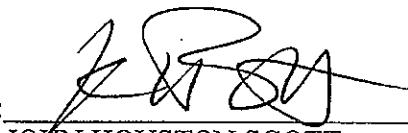

24 There has been one other request for time modification as to defendant's motion for summary
 25 judgment, which resulted in the time for plaintiff's opposition being enlarged for two weeks.

26 Modification in the briefing schedule would not change the hearing date. The hearing for
 27 defendants' motion for summary judgment is set for Friday, June 5, 2009 at 1:30 p.m. Defendants'
 28

1 time to reply to plaintiff's opposition to defendants' motion for summary judgment would be enlarged
2 to on or before May 26, 2009. An electronic outage on the electronic filing system resulted in
3 defendants being unable to file their reply brief on May 22, 2009. Defendants' counsel sent plaintiff's
4 counsel an electronic copy of defendants' reply brief on May 22, 2009.

5 Neither party nor the court will be prejudiced by enlarging the time for defendant's reply to
6 plaintiff's opposition.
