D. Plaintiffs' Reply to be filed: July 16, 2010
E. Hearing date: August 6, 2010

The parties anticipate requesting an expansion on page limits for these cross-motions. However, as the scope of the motions will depend upon this Court's earlier rulings, the parties are not yet in a position to give an informed estimate of the number of pages necessary to adequately address the issues.

4. Other Motions

The parties expect that other motions will be filed, including a motion for decertification of the FLSA collective action; however, the details of such motions are not sufficiently known to include them in a schedule at this time.
