The Honorable Susan Illston  
District Judge  
United States District Court  
Northern District of California  
450 Golden Gate Avenue  
San Francisco, California 94102

**Re: Vectren Communications Services v. City of Alameda, CV-08-3137-SI**

Dear Judge Illston:

Vectren's March 11, 2009 opposition to the City's March 4 motion to compel letter brief attempts to misleadingly narrow the class of documents sought in the requests for production to documents that Vectren claims do not exist. The City requests leave to file a short (2-page) reply to demonstrate, using Vectren Corporation's SEC Form 10-K, that responsive documents do exist. Alternatively, the City requests that the Court schedule a hearing on this matter.
