MEDIATION

The parties participated in a mediation session with attorney Sanford Jay Rosen. The case was not resolved at mediation and no further settlement discussions have taken place following the mediation session.

STATUS OF DISCOVERY

In anticipation of mediation, the parties completed depositions of the plaintiff and two defendant party witnesses. Written discovery has been propounded by both plaintiff and defendant. Additional discovery, including further party and non-party witnesses should be completed over the next few months.

SCHEDULING

It would appear that the timeline for pretrial and trial matters set forth in the parties' initial Joint Case Management Statement (Section 17) are appropriate and the parties request the Court to adopt those scheduling dates as part of its Case Management Order.
