**Re: *Georgina Henson v. Camellia Carriers*
U.S.D.C., Northern District
Action No. CV-08-3757 JL**

Dear Judge Larson:

Plaintiff and Defendant have spoken about the Case Management Conference in this case, and we will be filing a Stipulation requesting an extension of time within which to mediate this case. Thus, there appears to be little to discuss at the Case Management Conference this month. We mutually request that the Court continue the Case Management Conference to late January 2010. Kindly let us know if this is acceptable to the Court, otherwise we will file a Case Management Conference Statement forthwith.

Very truly yours,

Andrew I. Port
