1 WHEREAS eight of fifteen defendants have been served and the Complaint and Summons are  
2 still out for service for the remaining defendants;

3 WHEREAS the case management conference is currently set for Monday, January 5, 2009 at  
4 4:00 p.m.;

5 WHEREAS it is anticipated that Hornstein Law Offices, Prof. Corp. will represent multiple  
6 defendants and in the interest of judicial economy and economy to the parties, may file a combined  
7 response on behalf of several defendants once all defendants have been served;

8 WHEREAS a Joint Declaration under LR 6-2 is appended hereto;

9 THEREFORE, THE PARTIES HEREBY STIPULATE that the case management conference  
10 currently set for January 5, 2009 be continued to Monday, February 9, 2009. Plaintiff WORDTECH  
11 further stipulates that Hornstein Law Offices, Prof. Corp. may file one or more combined response(s)  
12 on behalf of the several defendants it represents, or will represent, 20-days after service of the last of  
13 the defendants it represents, or will represent, regardless of when the preceding defendants were  
14 actually served.

Judge Marilyn H. Patel

1                   JOINT DECLARATION OF VAL D. HORNSTEIN & CHRISTIAN J. MARTINEZ  
2                   RE PROPOSED ORDER (LR 6-2)

3           1.       I, Christian J. Martinez, am counsel of record for plaintiff Wordtech Systems Inc. I  
4 have personal knowledge of the matters set forth in this declaration and could and would competently  
5 testify thereto. Eight of fifteen defendants have been served in this case.

6           2.       I, Val D. Hornstein, am counsel of record for defendants Microtech Systems Inc. and  
7 Corwin Nichols. I have personal knowledge of the matters set forth in this declaration and could and  
8 would competently testify thereto. It is anticipated that my firm will represent many, if not all, of the  
9 remaining defendants in this case.

10          3.       The parties, through their counsel, believe that judicial economy and economy to the  
11 parties will be best served if Hornstein Law Offices, Prof. Corp. may file one or more combined  
12 response(s) on behalf of the several defendants it anticipates representing, 20-days after service of the  
13 last of the defendants it represents, or may represent, regardless of when the preceding defendants were  
14 actually served. Accordingly, the parties also believe that the Initial CMC should be continued from  
15 January 5, 2009 to February 9, 2009 in order to permit the service and response of the remaining  
16 defendants and to permit a more meaningful CMC meet and confer process involving all parties to the  
17 action.

18          4.       There have been no previous time modifications in this case except from December 16,  
19 2008 to January 5, 2009 upon reassignment from Magistrate Judge Patricia V. Trumbull to Judge  
20 Marilyn Hall Patel.

21          5.       Since the case is in its earliest phase and without a case management schedule or trial  
22 date, the requested time modification should have no material impact on the case or case schedule.
